Nomadic Display proudly announces a new line of economically priced counters designed to travel in a single FlatPack Case. FlexCounter is a cost conscious alternative to other counter systems on the market.

All counters are equipped with a single piece laminated counter top, locking door and internal storage shelf. FlexCounter's unique panel construction combines the flexibility of Instand panels with the sturdy reinforcement of Platinum welded frames and connection methods. FlexCounter can be delivered within 10 business days and it is available in a variety of highly functional styles.
